

Girl Scouts of the Jersey Shore
Colonial Region- Open to Council

Thinking Day on the Air Event

Saturday Feb 16, 2019, 9 am

Riverwood Park
Riverwood Recreation Building 2
Riverwood Drive & Whiteville Road, Toms River
Free to all Girl Scouts

Jersey Shore Amateur Radio Society will be set up to participate in Thinking Day on the Air. The girls will see various equipment and learn how radios operate and with a little cooperation from the atmosphere, get to speak to Girl Scouts in the US and Girl Guides in Great Britain and possibly other parts of Europe.

The aim of World Thinking Day on the Air (TDOTA) is to encourage Girl Scouts and Girl Guides to make friendships with members of other units, using amateur radio as the means of communication. TDOTA stations are set up by experienced radio amateurs who voluntarily work to support TDOTA. The positive effects of the event are shown in the increasing numbers of Guiders, Rangers, and the Guides themselves, with amateur radio licenses. Info about World

Thinking Day on the Air <https://www.guides-on-the-air.co.uk/>

C.Y. Wong is handling questions and registration
cywong@jerseyshoregirlscouts.org 732-938-5454

Registration deadline February 15, 2019

Event will be cancelled for lack of registration.

This event will fulfill some of the requirements to earn the ARRL Radio and Wireless Technology Patch. The bulk of the patch requirements can be done by the troop on their own. Patch Requirements found <http://www.arrl.org/girl-scouts-radio-patch>. Patches are FREE from ARRL. When you complete the requirements at each level, complete the report and patches will be mailed to you.
