

At The Hop!

Dance, play, and have a blast as we party 1950s style!

Break out your poodle skirt and saddle shoes and dance the night away as our professional DJ keeps you on your toes! Play games from the 50s and learn some of the popular 50s dances! Refreshments will be available for purchase.

This event covers the requirements for the Junior badge, "Playing the Past." Activities are mainly geared towards daisy, brownie, and junior-aged girls, but Girl Scouts of any age are welcome.

Please be aware of any allergies in your group or troop.

Current Covid-19 protocols at the time of the event will be followed.
